

## **SBHS Study Hall Expectations**

**In study hall, students are expected to maintain a reasonably quiet and productive learning environment which is not a disruption to other students.**

1. Students may go to their lockers during study hall.
2. Students may sign out to the restroom.
3. Students must sign out of study hall. They are expected to return to study hall immediately upon completion of the designated task and record the time of their return on the designated sheet.
4. There are no library sign outs.
5. A teacher may arrange to see a student assigned to study hall by communicating directly with the study hall teacher (email suggested), or by personally retrieving the student from the study hall.
6. Ear buds are allowed provided the volume does not present a distraction to others.
7. Students may not sign out to the gymnasium.
8. Food and beverages are permitted with the teacher's permission. Students are responsible for arriving with their own snack and must keep the classroom space clean.
9. Study hall students may not sign out to the cafeteria for snacks or socializing.
