

**SOUTH BURLINGTON SCHOOL DISTRICT
POLICY E1**

TOBACCO PROHIBITION

POLICY

It is the policy of the South Burlington School District to prohibit the use of tobacco on school grounds in accordance with state law. This ban extends to any student, employee, or visitor to the school, and applies at all times, whether or not school is in session. Students are, furthermore, prohibited from possessing tobacco products at all times while under the supervision of school staff or at school sponsored activities. The Superintendent or his or her designee shall develop procedures, rules and regulations that are in his or her judgment necessary to implement this policy and, at a minimum, will include provisions ensuring that tobacco products are confiscated when found in the possession of students and that referrals to law enforcement agencies are made when appropriate.
